

Time & Attendance Simplified

PCPROX

Proximity Badge Time Clock

Your trusted time tracking partner for over 100 years

Power of PayClock with the Wave of a Badge...

Easily record and manage employee time and attendance with the wave of a badge. Lathem's new PCPROX time clock has a modern 7" LCD touch screen interface that allows employees' to clock in & out, check their totals, change departments, add amounts, and more. Supervisors can easily manage daily timekeeping requirements at the clock as well. Adding employees and editing punches are easy, and just a few of the many features available.

The PCPROX has built in WiFi, so data is sent in real time to Lathem's PayClock time & attendance cloud-based software, where you can access and manage employee time card info at anytime, anywhere, via your secure web portal account.

A paid subscription to Lathem's PayClock web-based time clock software is required and sold separately.

Choose Your Connection Type

Wi-Fi

Data = WiFi

Power = Wall Adapter

Ethernet

Data = Ethernet

Power = Wall Adapter

Power-Over-Ethernet (POE)

Data & Power = Ethernet

Note: Existing network must be set up for POE. Please verify with your I.T. Dept.

Modern Android Operating System

The PCPROX includes touchscreen features for both employees and supervisors directly at the time clock. Employees can clock in and out with a proximity RFID badge or PIN and perform additional functions on demand such as entering tips, benefit time balances, and many more. In addition, supervisors can view their employees' in or out status in the employee list, send messages and override schedule restrictions.

Built To Work In The Cloud With Offline Backup!

The PCPROX shares data in the cloud instantly, for anytime, anywhere access using your existing WiFi or Ethernet internet connection. Rest assured that your data is secured and operation is seamless even when access to the internet becomes unavailable. The PCPROX automatically senses internet availability and switches to offline mode during disruptions, still allowing full employee functionality, and storing those transactions in memory until the connection becomes available again.

Powerful Features and Functions for Everyone

- Enable Auto Daylight Saving Time Change
- Set AM/PM or 24HR Time Display Mode
- Set Relay Mode (Off, Door Access, Signaling)
- View Device Information
- View Error Log
- Update App Online

Specifications

Employee Capacity	1,000
Department Capacity	1,000
System	Quad-core Cortex A7 Processor (1.3GHz), Android 7 Operating System 2 GB DDR3 RAM, 16 GB eMMC
Input	7" Capacitive Multi-Touch Screen 125KHz (or HID optional) Proximity Card Reader
Communication	Wi-Fi 802.11 A/B/G/N 10/100/1000 Ethernet - GbE LAN Power Over Ethernet (POE) 802.3.AT BlueTooth (BT4.0)
Memory Backup	Internal Lithium Battery 5 Year Cumulative Retention

Operational Backup	UPS Battery 5.4V 800mAH NiMH (Option Sold Separately)
Dimensions	5.375" w x 12" h x 3.625" d
Weight	1.6 lbs
Construction	ABS Plastic Case
Mounting	Wall Mount with Metal Bracket
Power	Wall Adapter: 100-240VAC, 50/60Hz 0.6A, Device: 12VDC@1.25A
Operating Temperature	32°F-122°F (0°-50°C)
Operating Humidity	20-90% (non-condensing)
Relay	Internal Dry Contact 2A @ 24VDC or 120VAC Open, Common, Closed

Accessories

RFID Prox Badges

RFID Prox Key Fobs

Operational Backup Battery
